

# BOTTLED WATER DESPERATELY NEEDED

LAW OFFICES OF

LERNER & ROWE

## Lerner & Rowe Collaborates with The Phoenix Rescue Mission - Summer 2011

**THE HEAT IS ON** - As temperatures reach into triple digits, The Phoenix Rescue Mission's top priority is to provide heat relief to thousands of people living on the streets.

Currently, the Mission's **Hope Coach** travels the streets of our community distributing sack lunches, clothing and BOTTLED WATER. The Phoenix Rescue Mission is also a water distribution hub for agencies tasked with heat relief efforts.

Lerner & Rowe and The Phoenix Rescue Mission need your help - NOW! Lerner & Rowe's staff, colleagues, friends and family are joining forces to help our community by giving water to those who are in dire need.

United, we can make a difference by gathering as much water as possible for The Phoenix Rescue Mission!

We challenge you to join us now and possibly help save a life. **Please drop off** as many cases of water possible at any of the following Lerner & Rowe locations:
